

Class 1 Newsletter

Welcome back to the Summer Term. We seem to have got off to a rather chilly start, but let's hope for lots of warm weather to come.

This term our theme will be:

London's Burning! We will be exploring:

Science - Plants
Geography - Contrasting Locality ~ London
History - The Great Fire of London
Art - Drawing ~ Botanical artists
Design Technology - Food ~ Healthy Breakfast
Computing - Creating pictures/Databases and graphing
RE - Worship and Festivals
Music - Charanga

As with all the work we do within school, if your child would like to bring/send anything in linked to our topics we would be delighted to share it. I'm sure the children will have lots of ideas about what they would like to learn and find out and we will try and incorporate these into our activities. We will always make time to celebrate any achievements your child has done outside of school as well.

Physical Education

A PE kit is not required to stay in school. Please send your child into school on a Monday dressed in their PE kit for our games lesson outdoors. They will remain in their PE kit all day.

Reading Books

Please have reading books and logs in school every Monday, books will be changed and sent home on a Wednesday. Please continue to make comments in reading logs of how they have done.

Homework

Next week we will send a choice of homework activities for your child to complete. There will be 6 different activities for your child to complete over the course of the first half term which will include a range of practical and written activities. Please aim to complete at least 4 of the tasks. Photos and work can be uploaded to Seesaw or put into homework books and will be shared in school. Children can use Purplemash from home and on occasions tasks will be set on here to complete.

Sun cream

We spend a lot of time outside during the school day so, on sunny days, we would ask you to please put sun cream on your child **before** school.

Many sun creams last the entire day, however if you feel your child needs an additional application before lunch then please bring **named** sun cream to school. This will be kept in a box until the summer holidays.

Morning Line Up

A member of staff will be outside at 8.45am so that quick messages can be passed over before the start of the school day. If you have any longer urgent messages please go to the school office and they will organise cover for the relevant member of staff.

We are always here to support you and your child, so if you have any queries please do not hesitate to talk to us.
