

Brandesburton Primary School
Together We Believe – Together We Achieve
Physical Education 2020-21

Primary Sports Funding Premium is money allocated to develop and improve physical education and sports within primary schools. There are three main objectives:

- To improve and expand on the quality of existing P.E teaching through Continuing Professional Development (CPD) alongside external agencies.
- To maintain and improve on participation levels in competitive sports and healthy activity of pupils and encourage these beyond Primary School.
- School to embrace, promote, enhance and value the benefits of high quality P.E and sports, including its use as tool for whole school improvement.

School vision

At Brandesburton Primary School our aim is to maximise opportunities and realise potential for all pupils, whatever their level through a skills based curriculum. All pupils will be encouraged to actively participate in a wide range of sports and activities to improve both physical and emotional wellbeing, which will transfer into measurable achievements.
The impact of this approach will enable all participants to improve and build on a range of positive attitudes and attributes such as self-esteem, confidence, respect, teamwork and leadership; skills that can be practised and applied beyond the school setting.

Targets for 20-21

Teachers and HLTA's to continue to deliver a consistently high standard of PE.

Continue to embed cross curricular approach across school using PE as the driver where possible and appropriate.

Use ICT to document evidence of lessons and activities in PE so progression of skills can be seen throughout the year groups in school.

Allow pupil voice to dictate intra school competitions and extra-curricular clubs.

Continue to develop positive play at lunchtimes – through playleaders, the use of the new school markings and daily mile to improve physical activity during free time.

Introduce and complete active 30 – timetable to ensure each class is exposed to physical activity within lesson time per week.
