### Home Reading and TT Rockstars

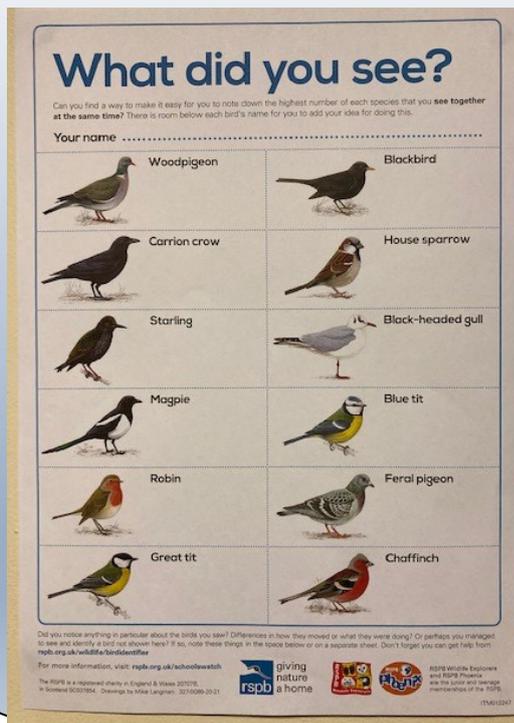

**We are trying our hardest to improve reading fluency and arithmetic skills whole school. If you could support this at home with home reading and TT Rockstars, it would be very much appreciated.**

### Home Reading

A huge well done to Emma, Emily and Kip in class two. Mrs Platten came excitedly into my office on Wednesday morning to share some brilliant photographs and videos on Seesaw of home reading. The love of reading was clear to see. Thank you for your support at home to work together to support the development of reading fluency.

### Love for learning!

Class 5 – Learning about decompositional land forms in our local area has been really interesting!

Class 4 – It has been very exciting to write all about a mermaid.

Class 3 – Painting in the style of Claude Monet was great fun!

Class 2 – MATHS, MATHS and more MATHS! We love times tables and the Quick Starts.

Class 1 – Phonics - we have loved learning new sounds to help apply to our reading of new and unfamiliar words

FS1 and FS2 – Exploring ice! Brrrrr! Looking at melting ice and how water freezes.

### Mrs Marlow

Mrs Marlow came into assembly to share with the whole school her job as a psychologist. She works for a charity called 'Kids'. The organisation is amazing and offer a range of services to families including both parents and children.

KIDS support over 11,800 disabled children, young people and their families every year by delivering over 60 services throughout England.

We loved learning about the importance of resilience to achieve your goals.
