

**Brandesburton Primary School
FS1 and FS2 Home Learning**

Remote learning

We are aware that these are exceptional times and would like to support those children who are self-isolating so that they can remain fully involved in their learning. Some of the information and websites are generic to your child's key stage, other tasks are linked to their current theme. Please continue to look at your child's class blog. Lots of photos and information can also be found here and on the school website under the curriculum tab.

<p>Phonics Phonics play is a great site- the children love it! https://www.phonicsplay.co.uk/ You can sign up for a 1 month free trial of Reading Eggs to support phonics (and reading too) https://www.phonicsbloom.com/ is a useful site. Another great website for phonics games is – https://www.topmarks.co.uk/english-games/3-5-years/letters-and-sounds ICT games has also got lots of fantastic phonics interactive activities including handwriting tools. https://www.ictgames.com/mobilePage/literacy.html</p>	<p>Maths Look for numbers in the environment You might find www.topmarks.co.uk/maths-games/3-5-years/counting a useful tool. Numberblocks is a fun way for children to learn about number and is great for making links. https://www.bbc.co.uk/iplayer/episodes/b08bzfnh/numberblocks ICT games has also got lots of fantastic interactive maths activities. https://www.ictgames.com/mobilePage/mathsMenu.html Find things that are heavier & lighter, bigger & smaller and longer and shorter. Go on a shape hunt. Create a shape picture.</p>	<p>PSHE Dreams and Goals! We are all unique and have our own dreams and goals. What dreams and goals do you have? This could be; to be a ballerina or footballer, to ride a bike by yourself, to be able to zip up your coat. Can you make a dream jar? You could draw a jar (an adult could help with this) and then draw or write something in your jar that you dream of for the future. Or you could use a jar from home and fill it with things that represent your dreams and goals. How would you explain your dreams/goals to a friend?</p>
<p>Reading Please read as much as possible to your child, make your own stories up, share picture books and learn as many nursery rhymes as you can. Have fun! Oxford Owl is a useful website as is https://www.bbc.co.uk/bitesize/topics/zkstt39 Encourage your child to answer 'how' and 'why' questions in response to stories.</p>	<p>Understanding the World Encourage your child to explore their surroundings and ask questions using the starters- what, why, when or how and who. Explore how things work, developing language and vocabulary and encouraging your child to follow instructions and or ask questions.</p>	<p>Purple Mash Every child in school has an account. A vast array of resources are available. https://www.purplemash.com/sch/brandesburton This link can also be found if you click on the red curriculum tab on the main menu of the school website.</p>
<p>Music https://classroom.thenational.academy/subjects-by-key-stage/early-years/foundation-stage/subjects/music Unit 2: Journeys and Adventures (6 lessons)</p>	<p>Art Can you create some story characters? This could be drawings, paintings or models or your favourite story characters. Perhaps The Gruffalo, Stickman or The Three Little pigs. Can you try experimenting with pen, paint, chalk, natural materials or playdough?</p>	<p>PE Why not explore your own outside area, create an obstacle course or try some Cosmic Yoga at: https://www.youtube.com/user/CosmicKidsYoga/ Or try some PE with Joe Wicks https://www.youtube.com/results?search_query=pe+with+joe+wicks</p>

Please encourage your child to focus on the formation of their letters and numbers when completing any of these tasks!

If you need any further guidance or support, please don't hesitate to contact the Foundation Stage Team on the class email – fsbrandesburton@gmail.com
