

Brandesburton Primary School
KS1 Home Learning

Remote learning

We are aware that these are exceptional times and would like to support those children who are self-isolating so that they can remain fully involved in their learning. Some of the information and websites are generic to your child's key stage, other tasks are linked to their current theme. Please continue to look at your child's class blog. Lots of photos and information can also be found here and on the school website under the curriculum tab.

<p>Maths White Rose Maths is a web based platform that is dedicated to maths and is full of useful resources for problem solving activities. https://whiterosemaths.com/resources/primary-resources/ www.topmarks.co.uk has lots of useful maths games for KS1 pupils relating to place value, money skills and basic skills work such as number bonds and doubling.</p>	<p>Theme Our focus is on changes within living memory such as toys, homes and technology. You could devise some questions to interview a grandparent over the phone asking them about their school days or the toys they played with. Perhaps try a virtual tour of the National Trust Museum of Childhood and draw and label something that see. https://v21artspace.com/the-national-trust-museum-of-childhood BBC bitesize also has lots of great activities including making your own family tree. https://www.bbc.co.uk/bitesize/topics/zc9s6g8 Consider how far technology has advanced by making yourself a set of string telephones with paper cups or tin cans. Can you use yours to relay a message? https://www.youtube.com/watch?v=JWB_-wevjSY</p>	<p>PSHE Thinking positive thoughts and always seeing the best in a situation is called having a positive attitude to life. It can make you a happier person and plays an important part in having good mental health. Different things make different people happy. What does happiness mean to you? Create your own happiness Poster.</p> <p align="center">Spending time with family and friends.</p>
<p>Phonics Phonics play is a great site- the children love it! https://www.phonicsplay.co.uk/ You can sign up for a 1 month free trial of Reading Eggs to support phonics (and reading too) https://www.phonicsbloom.com/ is a useful site.</p>	<p>RE Bible Story: The story of Jesus' disciples, Peter and Andrew https://www.bbc.co.uk/bitesize/clips/zbyr87h Lots of things happen in life to make you feel lucky or that make you thankful. Draw/write about one of these experiences.</p>	<p>Online Safety Even though you may sometimes feel your child has better technical skills that you do(!), they still need advice and protection when it comes to managing their lives online. There is also a wealth of websites to explore on our school website under the curriculum tab.</p>
<p>PE Why not explore your own outside area, create an obstacle course or try some Cosmic Yoga at: https://www.youtube.com/user/CosmicKidsYoga/ or Joe Wicks workouts for children at: https://www.youtube.com/user/thebodycoach1</p>	<p>Art This term our focus is on sculpture and will be guided by the work of two amazing Yorkshire artists; Barbara Hepworth and Henry Moore. You could take a look at Barbara Hepworth's amazing art work using the Tate Kids website (there's even a fun activity to complete using a</p>	<p>Science Have a look at Purple Mash and the theme of materials. Websites that might also help include https://pstt.org.uk/resources/curriculum-materials/Science-Fun-at-Home and https://www.bbc.co.uk/bitesize/topics/zrsgk7</p> <p>Purple Mash Every child in school has an account. A vast array of resources are available. https://www.purplemash.com/sch/brandesburton This link can also be found if you click on</p>
<p>Reading One of the most important educational activities parents/carers can do with their child is reading. We strongly encourage you to encourage your child to read every day. Please ask your child questions about what they have read to check their understanding. Please</p>		

<p>also refer to the reading newsletter sent home at the beginning of this term. Oxford Owl is also a useful website.</p>	<p>bar of soap!): https://www.tate.org.uk/kids/explore/who-is/who-barbara-hepworth Or watch a very old clip of Barabara talking about her work: https://www.bbc.co.uk/programmes/p0289vvq</p> <p>Alternatively you could explore the work of Henry Moore using the Tate Kids website: https://www.tate.org.uk/kids/explore/who-is/who-henry-moore</p> <p>A fun activity to complete with an adult is to make your own salt dough sculpture (it's very easy to make using basic kitchen ingredients) https://www.learning4kids.net/2012/12/09/how-to-make-salt-dough-recipe/</p>	<p>the red curriculum tab on the main menu of the school website.</p>
---	--	---

Please encourage your child to focus on their handwriting and the formation of numbers when completing any of these tasks!
