

Brandesburton Primary School Operation Encompass

Our school has been given the opportunity to take part in a new project that will run in partnership with Humberside Police and the Early Help and Safeguarding Hub (EHaSH). The project has been designed to provide early reporting to schools of any domestic abuse incidents that occur outside of school but which might have an impact on a child attending school the following day.

Following the report of an incident of domestic abuse, by 9.00am on the next school day the school's Key Adult will be informed that the child or young person has been involved in a domestic incident. This knowledge, given to schools through Operation Encompass, allows the provision of immediate early intervention through silent or overt support. The purpose and procedures in Operation Encompass have been shared with all parents and governors, are detailed as part of the school's Safeguarding Policy and published on our school website.

A nominated member of school staff, known as a Key Adult, will be trained to liaise with the police. At Brandesburton Primary School our Key Adult is the Headteacher, Miss L Northen.

Miss Northen will be able to use information that has been shared with her in confidence, to ensure that the school is able to support children and their families.
