Home Reading and TT Rockstars

We are trying our hardest to improve reading fluency and arithmetic skills whole school. If you could support this at home with home reading and TT Rockstars, it would be very much appreciated.

Welcome Back!

A huge welcome back to all our families. We are so incredibly excited to start the new school year. The children have settled really well into their new classes. Key stage two is running slightly different this year with the focus on smaller teaching groups to facilitate accelerated progress and to ensure every child achieves their personal best. We can't wait to show case this and begin having parents in to see learning in action.

Being the best version of me!

BY EDGAR ALBERT GUEST

Somebody said that it couldn't be done,
But, he with a chuckle replied
That "maybe it couldn't," but he would be one
Who wouldn't say so till he'd tried.
So he buckled right in with the trace of a grin
On his face. If he worried he hid it.
He started to sing as he tackled the thing
That couldn't be done, and **he did it.**

Somebody scoffed: "Oh, you'll never do that;
At least no one has done it";
But he took off his coat and he took off his hat,
And the first thing we knew he'd begun it.
With a lift of his chin and a bit of a grin,
Without any doubting or quiddit,
He started to sing as he tackled the thing
That couldn't be done, and **he did it.**

There are thousands to tell you it cannot be done,
There are thousands to prophesy failure;
There are thousands to point out to you one by one,
The dangers that wait to assail you.
But just buckle it in with a bit of a grin,
Just take off your coat and go to it;
Just start to sing as you tackle the thing
That "couldn't be done," and **you'll do it.**

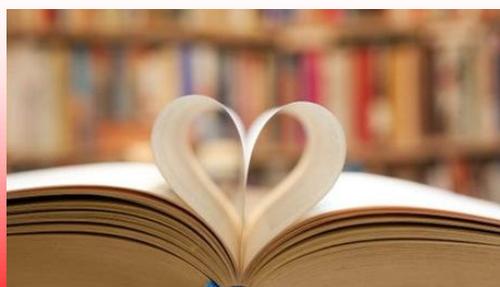

Love for learning!

For us to love learning and never give up, we have to be championed and learn to focus on being the best we can be. This is hard to do all the time and this week in assembly we discussed our 'Tool Kit' for life. The skills needed to be resilient, kind, helpful, thoughtful, and equipped with the life skills for beyond school.

Please can I ask for parents, friends of families or people you know who would be able to talk about this, to come and share their stories in assembly. Last year we had some phenomenal inspirational speakers and we would like to continue that. Please contact the office or any member of staff if you feel you could help us inspire our children.

A love for reading!

We are continuing to drive a love for reading. Please can you support your child to read as regularly at home as possible. What was your favourite book as a child? As an adult? Why? Discussing brilliant books, authors and illustrators inspires us all - let's get talking, let's get reading!

Foundation Stage

Both FS1 and FS2 have been brilliant settling into their new classes. All the staff have worked very hard to improve the learning areas over the holidays and the children have been very excited to explore each area.
