Home Reading and TT Rockstars

We are trying our hardest to improve reading fluency and arithmetic skills whole school. If you could support this at home with home reading and TT Rockstars, it would be very much appreciated.

Final newsletter for the year!

I can hardly believe we have reached the end of the calendar year. As a staff, we reflected on the past twelve months and we are incredibly delighted with each and every child. The whole school have implemented a new programme for teaching phonics, subject leaders have worked hard to develop subject leadership to ensure improved outcomes for all children, we have been visiting other schools to observe outstanding practice and the list goes on (with this being a brief newsletter, we wanted to just give a brief update). The biggest success is the impact this has had on our children. Outcomes across the school from foundation stage to year 6, we believe, are better than ever. Staff meeting time has been dedicated to coaching, challenging and supporting one another to ensure every child gets the best possible teaching and learning.

Thank you everyone

We were able to send £123.82 to Save the Children after Christmas Jumper Day.

Dove House came and collected around £800 from the Elf Run.

The PTFA raffle has had amazing support and will be drawn at Carols round the tree.

Thank you for your continued support which for a small school makes the unachievable achievable.

AMAZING!

We have successfully raised enough money to buy 33 tablets. These are now in school, we have also kindly had the donation of a charging unit which has saved the school (£1000).

THANK YOU!

We will be sharing our outcomes in the future from using the new equipment.
