Guided Reading—The Twits

Poetry - Ancient Egypt

Setting/ character description

Persuasive Advert—Visit Egypt

Egyptian story

**History**

Ancient Egyptians

We will find out about the Ancient Civilization of the Egyptians. We will look at sources of evidence to find out about how they lived, their beliefs linked to religion, why the River Nile was so important, how the different pharaohs ruled and how the Egyptian period ended.

**Geography**

Egypt

We will investigate where in the world Egypt is, the human and physical features linked to the country, for example the arid climate, the desert landscape and the importance of the River Nile.

**Maths**

Year 4

Multiplication, Length, Perimeter, Fractions and Decimals

Year 3

Multiplications and division, perimeter, fractions and capacity

**French**

Numbers

Easter

**Spring Term 23  
- Tomb Raiders  
- Class 3**

**Music**

Glockenspiels and singing

**PE**

Basketball/Gym/Tag Rugby/Dance

(Swimming )

**RE**

Year 3— Founders of faith

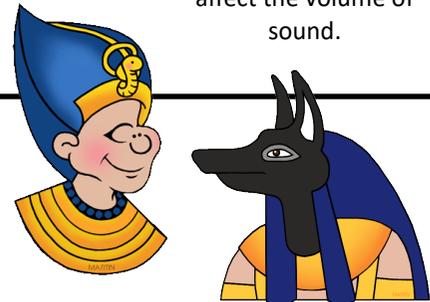

Year 4—People who inspire us—what makes a saint?

**Science**

Light and Sound

We will explore what a light source is, how light travels, reflective materials and how shadows are made.

We will learn how sounds are made, how we hear and how the vibrations affect the volume of sound.

**Art and Design**

Masks

We will explore masks and how they were used during Egyptian times. We will also look at drawing faces and the features of the face. We will then design our own masks and create them .

**Design and Technology**

Jewellery

We will look at existing products and jewellery from Ancient Egyptian times. We will design and then make our own products then evaluate our finished pieces.

**Computing**

Animation

We will create animations using 2animate and also explore animation apps on the ipads.

Databases

We will use 2investigate to explore databases, inputting information and analysing.

**Half Term Activity**

Making an Egyptian board game
