Home Reading and TT Rockstars

We are trying our hardest to improve reading fluency and arithmetic skills whole school. If you could support this at home with home reading and TT Rockstars, it would be very much appreciated.

Welcome Back!

We are all so excited to be back at Brandesburton. There is a real buzz for learning and enthusiasm running through the school. The children have settled superbly and started the school year tremendously well. Behaviour and attitudes to learning are outstanding and we celebrate each and every child who has contributed to making Brandesburton a phenomenal place to be.

Mindset Matters

As we head into a new school year, it is really important to focus on the new days, weeks and months ahead of us. Anything is possible. We strive on sharing, developing and teaching our children about our 'Tool Kit For Life'. How do we learn not to give up? How do we learn to be kind? To listen? To authentically care? To share?

We learn this by our environment both at school and home. This week in our opening assembly back we read and shared the book 'After the fall'. It is the alternative story about Humpty Dumpty and what he did after his fall. If you have time, have a chat about what we can learn from this story and the skills we can add to our 'Tool Kit For Life'.

Being the best version of me!

BY EDGAR ALBERT GUEST

Somebody said that it couldn't be done,
But, he with a chuckle replied
That "maybe it couldn't," but he would be one
Who wouldn't say so till he'd tried.
So he buckled right in with the trace of a grin
On his face. If he worried he hid it.
He started to sing as he tackled the thing
That couldn't be done, and **he did it.**

Somebody scoffed: "Oh, you'll never do that;
At least no one has done it";
But he took off his coat and he took off his hat,
And the first thing we knew he'd begun it.
With a lift of his chin and a bit of a grin,
Without any doubting or **quiddit**,
He started to sing as he tackled the thing
That couldn't be done, and **he did it.**

There are thousands to tell you it cannot be done,
There are thousands to prophesy failure;
There are thousands to point out to you one by one,
The dangers that wait to assail you.
But just buckle it in with a bit of a grin,
Just take off your coat and go to it;
Just start to sing as you tackle the thing
That "couldn't be done," and **you'll do it.**

A love for reading!

We are continuing to drive a love for reading. We have created our library for the community to access too. In the school entrance we have created a book swap shop. This includes a range of children and adult books. Please come and share your books and read our selection too. This is all free of charge and created over the holidays to help spread our dedication to creating a love for the world of books.

Please spread the word!

Thank You

On the last week of the school year staff were given so many incredibly kind and thoughtful gifts and cards.
