

### As writers...

Year 5 – We will begin the year with some instruction writing. We will be using 'How to wash a woolly mammoth' as a stimulus, linking to our Stone Age to Iron Age history unit, and then Year 5 will write their own. We will then move onto character and description writing. We will begin by reading and analysing various Roald Dahl texts and the book 'Stone Age Boy'. After this, will be a persuasive piece of writing trying to persuade people to live in Brandesburton/Hull.

### As historians...

Year 5 will be focusing on 'Stone Age to Iron Age'. Year 5 will be finding out about the impact of the technological changes during these periods, thinking carefully about the impact each new development had on society. They will be focusing on the continuity and the change/significance.

### As geographers...

This term Year 5 will be focusing on developing their fieldwork skills. They will be completing a comparative study of Brandesburton Primary School and its locality and Stepney Primary School and its locality. Children will collect, record and present data drawing conclusions from their findings.

### As ICT experts...

In year 5 we will be focusing on the following categories.

Online Safety  
Concept Maps  
Word Processing

## KS2 class 4 Curriculum Map Autumn Term 2023

### As readers...

Year 5 will be reading the book 'The Wild Way Home' by Sophie Kirtley. The children will be continuing to develop their inference, retrieval and prediction skills. They will also be making predictions about the characters and plot.

### As mathematicians...

Year 5 – In the autumn term our focus will be on:

Place value – numbers up to 1,000,000  
Addition and subtraction with numbers more than 4 digits  
Multiplication and division – multiplying and dividing by 10,100,1000  
Fractions – adding and subtracting fractions with whole numbers and fractions less than 1.  
Improper and proper fractions.

### Jigsaw

In Jigsaw the focus is "Being me in my world"  
This Includes lessons on Self-Identity, Group Identity, Responsibilities, Consequences, Teamwork and introduces the Jigsaw Charter.  
French  
Year 5 will be continuing their language journey on from year 4 and expanding their writing, speaking and reading skills.

### Trips and Other activities

We will be visiting Stepney Primary school later on this year to explore the differences in our communities and to collect data on both areas

### As artists...

Year 5 be taking inspiration from Ian Mitchell, this is an artist who focuses on perspective. Our art work will be influenced and linked to our geographical study of the local area. We will be focussing on drawing and painting landscapes.

### As PE experts...

In Physical education year 5 this term we will be focusing on Football and handball. We will be learning how to play both games, how to improve and most importantly how to enjoy it

### As scientists...

In Science this term our focus is Properties and changes of materials. In this unit we will cover the use of evaporation to recover solutes. We will explain reversible and irreversible changes, chemical reactions, burning reactions and reactions that include different acids mixed with bicarbonate of soda.

### As designers...

Our design and technology unit in Key Stage 2 this term will be mechanisms and structures. We will Investigate and create a beach buggy with a working electrical gear and pulley system. The children will begin by researching existing products and then use a design criteria to create their own working machine.
