

## Brandesburton News

### 13.10.23

#### Home Reading and TT Rockstars

We are trying our hardest to improve reading fluency and arithmetic skills whole school. If you could support this at home with home reading and TT Rockstars, it would be very much appreciated.

#### A big THANK YOU

The school has successfully received support from Kids to facilitate workshops for Brandesburton children. The workshops are drawing and lego based. They are a gentle way of working on talking supporting well being. We are one of only two schools in the East Riding to have the opportunity to be offered this and we hope to run this for many children. This hugely supports one of our main drivers: 'Tool Kit for Life' - being able to give our children the life long skills of being good communicators, resilient, kind, caring and compassionate. Being armed with all the tools for life is a priority and we welcome all the support possible.

If anyone has any questions over these sessions or would like to discuss other aspects of well being, Mrs Marlow has kindly offered to be a point of contact: [shelly.marlow@kids.org.uk](mailto:shelly.marlow@kids.org.uk)

#### Food bank

Thank you for all the kind donations for our local food bank.

The food bank are really grateful for any donation no matter how small.

We will continue to collect food parcels all year donations can be placed in reception.

Thank you for all your support - it really matters!

#### Parent Hub

Once a half term, we are going to have a Parent Hub. This will be a morning session for parents to drop in and have an opportunity to talk over any thing Brandesburton related. Miss Northen will be available to answer questions or discuss any areas of school you would like to talk about. Suggestions always welcome. Tea and coffee will be provided. Everyone welcome!

**Date: Friday 20 October 8.50am**

#### Drop off and collection :

Please can we remind you about collection routines. If you are asking someone else to collect your child - let the school office know.
