### Swimmers

We apologise for the bus often being 5- 10 minutes late after swimming on a Wednesday. The children are loving the lessons and quickly improving their skills and knowledge.

In addition, we want to share how proud we are of the children. Many adults have commented on how polite and well mannered they have been - every child has thanked the bus driver and instructors at swimming.

Our 'Tool Kit for Life' matters and we love to see this in action.

**DATE FOR YOUR DIARY: Catch up and chat morning. 21.3.24 8.45am**

## What are we working on currently?

We currently have three projects we wanted to share with you:

### OPERATION OUTSIDE AREA EYFS - COMPLETED

We have all our resources sorted but we now need wooden fencing to extend the outside area and make it a safe enclosed space which can have the resources set up and not have to be taken down daily . If any parents could help us with this, we would be very grateful.

### LOVE OF READING

New non-fiction books. Our non-fiction books are very dated and dull! We would love to buy new non-fiction reading material which ranges for Foundation Stage to Year 6. There are some amazing reading materials out there but we do not have the funds to purchase these.

### ICT room into a classroom

Our ICT room has computers which have seen better days and do not work. As you know, we have tried incredibly hard to facilitate smaller teaching groups to enable the best provision possible. Having another classroom would make the space in which the children are working in the smaller groups so much better for learning.

How do we plan to raise the funds?

We want to say a huge thank you to Mr Conolly. He spent all of last week and this week helping build our fencing for improved outside area!

He also made a gate for us too. The children loved watching his work and we can't wait to set up our outside provision for Foundation Stage.

**THANK YOU**

## WALL OF ACHIEVEMENTS

### Dancing!

Elsie danced 5 times in fast making the final & getting 5th place.

Then 4 times in slow getting 4th place.

Over 20 other dancers, still fairly new to it and smashing it! A huge well done!

### Fencing!

Bobby has started fencing lessons.

We love how many unique clubs and extra curricular activities you as families take part in.

Well done Bobby for trying a new skill!

### Swimming!

Ava has spent the last two weekends competing in her first ever swimming galas. Last weekend she did a club gala coming 1st in 50mtr breaststroke and 5th in the 100mtr individual medley.

This weekend she did her first outside gala at the Hull and District swimming competition she came 1st in the 50mtr breaststroke, 1st in 50mtr backstroke and 2nd in 25mtr freestyle - well done!

## WALL OF ACHIEVEMENTS Continued...

### Dancing!

Jemima just started dance class and was able to learn the whole dance in 1 week.

Amazing skill and memory!

### Reuse, reduce, and recycle

Mina and Friend made stationery organizers out of plastic bottles .

We love the sound of this - well done!

Mina also enjoyed her litter picking adventure with "Friend" the Scouts Squirrel during the weekend. Small efforts can make a big difference in keeping our neighbourhood clean.
