

Foundation Stage Newsletter

Welcome back to the Summer Term. We hope for lots of warm weather and outdoor learning. Over the next few weeks we will be looking at different types of animals and the habitats they live in. We will be learning about lifecycles and minibeasts and matching animals to the right environments.

Clothing

The weather is very changeable at the moment. Please ensure your child has a named coat/fleece/light waterproof in school every day and a named cap/sunhat.

Sun cream

We spend a lot of time outside during the school day so, on sunny days, we would ask you to please put sun cream on your child **before** school.

FS2 - Many sun creams last the entire day, however if you feel your child needs an additional application before lunch then please bring **named** sun cream to school. This will be kept in a box until the summer holidays. The children will be encouraged to re-apply their sun cream by themselves so please have a practise at home.

FS2 PE

Weather permitting, we will doing PE lessons outside this term. Please could your child wear trainers in school as part of their PE kit. PE lessons will continue to be on a Thursday. FS2 children can come to school in their PE kit. FS1 children do not require a PE kit.

Reading Books

The children are making great progress with RWi and their reading but please continue to read regularly with your child at home as this really does help with their fluency and understanding of the story.

Baking

We will continue to bake with the children on a regular basis. If you are able to donate £1 towards the cost of ingredients this term, it would be much appreciated.

Library will now run on a Tuesday afternoon from 2.50pm until 3.15pm.

Thank you for your continuing support. Please do not hesitate to see us with any queries you may have.
