Home Reading and TT Rockstars

We are trying our hardest to improve reading fluency and arithmetic skills whole school. If you could support this at home with home reading and TT Rockstars, it would be very much appreciated.

With hard work and effort, you can achieve anything.

Year 6 SATs

The whole Brandesburton Team would like to say **Well Done** to our Year 6 children who have worked incredibly hard this week. Their work ethic, team support and never wavering drive to be the best they can be has been superb for all to see. We hope they have a really fun and exciting weekend to wave goodbye to their SATs tests taken this week.

Brandesburton Junior Road Safety Officers

We would like to share the hard work of our children who have worked with Mrs Atkinson on improving our road safety.

The mission for this term is the parking at 3.15pm. They would like to promote the **school Park and Stride area**.

This can be seen in the photograph and is at the **Dacre Arms car park** - please can we ask you not to use the Black Sawn or park on the yellow zig zag lines (parking on these is illegal) and also stops anyone being able to clearly see to cross the road.

We have visited the Dacre Arms car park and taken photos in order to promote our park and stride area.

Extra information from our team:

Please don't cause an obstruction

Is it illegal to park on zig-zag lines outside schools?

Yes, it's always illegal to park on yellow zig-zag lines anywhere.

Rule 243 of the Highway Code indicates a range of places where motorists must not park.

It also states that drivers must not park near a school entrance, anywhere that would prevent access for emergency services.

Parking outside a school specifically may obstruct visibility for parents and children trying to cross the road and is thus **highly dangerous**.
