Home Reading and TT Rockstars

We are trying our hardest to improve reading fluency and arithmetic skills whole school.

If you could support this at home with home reading and TT Rockstars, it would be very much appreciated.

Quad Kids

We had a great start to the day with our lower Key Stage 2 children (Class 3) but unfortunately due to the weather Class 5 and 6 were cancelled.

Class 3 took part in various activities: 400m run, a sprint, vortex throw and long jump. The behaviour and team work from Brandesburton was outstanding. Mis McIntyre praised every child for being an absolute super star in torrential weather!

HAND WRITING

As a school we are all working on our presentation and hand writing. Any practice time at home would really help the focus at school. We would love any examples sent in so we can really celebrate the hard work all our children are putting into this area of improvement.

Careers Fair

We would love to hold a careers fair in the second summer term (July). We are really flexible on date and time.

Brandesburton are enthusiastic to offer a breadth of career information from first hand experience.

If any of you would be able to come and join us and give your perspective, knowledge or guidance to our

KS2 children on your line of work/career, we would be very grateful.

Please get in touch if you could or know anyone who could.
