Home Reading and TT Rockstars

We are trying our hardest to improve reading fluency and arithmetic skills whole school.

If you could support this at home with home reading and TT Rockstars, it would be very much appreciated.

Fundraising Thank You

As a school we try our hardest to plan as many exciting opportunities to enhance the curriculum as possible. Your support is superb and we want to thank each and everyone of you who has helped and championed our fund raising efforts so far.

In our short space of time, we have completed the FS outside area and fund raised a whopping total of £540 (from the Disco and Bake Off). The School Council will carefully speak to the whole school and democratically take the views and votes to help Mrs Altoft use the funds to purchase new books for our library.

A huge thank you again!

Restorative Practice (RP) Ambassadors

We now have our team of **RP specialists**.

As a team, we work on championing everyone at Brandesburton to be the best they can be.

How do we do this?

- Problem solving
- Tool Kit for Life
- Championing one another
- share when we are proud, happy and support behavior which improves the well being of others
- Kindness
- Praise
- Help
- Involve everyone (inclusion)

The team meet weekly and discuss how to make playtimes really enjoyable for everyone and embed restorative practice.

Parents Evening

We are constantly trying to improve and listen to your feedback. Hopefully, holding it on one evening for all children and after school, gave you all the opportunity to attend.

If you did not manage an appointment, please speak to your class teacher and we will do our very best to ensure you have another opportunity. Our staff are always outside at the start and end of the day so you can communicate messages daily.

Is Online Safety a concern to you?

As a school we ensure all children are taught about the importance of staying safe online. However, in an ever changing technological world, being a parent to young children can be tricky.

We would like to offer parents and carers the chance to come and discuss different ideas and strategies together in a non judgmental way.

Perhaps you are struggling with screen time?

Perhaps you need more guidance on the different APPS your child uses?

We don't promise to have all the answers but would love to help to pave the way for discussions and ideas to be shared.

Feel free to join us on Friday 12 April 2024 at 8.45am.
