

As writers...

Year 1 – Will be writing a letter and a 5-part story (re-telling the story) using Sleeping Beauty and Dear Fairy Godmother as their stimulus. Additionally we will write a 5-part innovative story using the book Elmer as a stimulus. Finally, the children will complete a poetry unit.

We will be focusing on improving sentence structures, adding capital letters and full stops and letter formation.

As historians...

Year 1 will be focusing on the key conceptual idea of 'Significance' by investigating Isambard Brunel. We will be exploring the impact that he had on ordinary lives.

As geographers...

This term, Year 1 will be completing a world comparative study with a focus on significant rivers and bridges from around the world. We will be consolidating understanding of the 7 continents before locating major countries in each of the continents.

As ICT experts...

This term, year 1 will create animated story books, pictograms and spreadsheets using the PurpleMash platform.

As readers...

Year 1 will be continuing to develop their phonics knowledge by working at the appropriate levels of the Read Write Inc phonics scheme. Once completion of the programme, children will be moving onto whole class guided reading lessons.

As artists...

Year 2 will be taking inspiration from their history and geography units to create a 3D tile sculpture using malleable materials. We will be practising rolling, joining and smoothing techniques to add 3D elements to a 2D tile. The design will be based around bridges and/or trains.

KS1 Curriculum Map Summer Term 2024

As mathematicians...

Year 1 – We will working on multiplication, division, fractions, position and direct, place value within 100, money and time.

As PE experts...

In PE the children will develop their movement skills, with a strong focus on co-ordination, throwing and catching. To develop these skills the children will be taking part in games based around cricket and tennis. We will also take part in athletics and rounders.

Music

This term, year 1 will be completing the Round and Round and Your Imagination units from the Charanga learning platform. We will use our voices expressively and play tuned instruments. Moreover, we learn about great composers and compose our own music.

Jigsaw

This half term, our unit is called 'Relationships'.

We talk and learn about the different types of relationships we have, from our family, how to be a good friend, appropriate physical contact and how to be a good friend
RE

Our key question is: What a wonderful world: Why is the world so special?

Year 1 will be learning about Islam and Christianity linking their to making sensible choices, linking to British Values.

As scientists...

This term year 1 will be learning about Plants and Humans. We will identify a range of common wild and garden plants. Naming the describing the basic structure for both plants and trees. We will also name and label parts of the human body and explore our senses.

As designers...

Our design and technology unit in Key Stage 1, this term focuses on mechanisms and structures. We are going to be taking inspiration from Isambard Brunel and designing our own bridges. We will need to carefully consider the material use, the shapes to create and how to join the structure.
