

### As writers...

Year 5 – To begin the year the children will be creating a setting and character description, This will be linked to their class text Hugo Cabret. They will then embark on a persuasive leaflet, the persuasive leaflet will be based around on persuading people to come and visit Brandesburton. They will also write a set of instructions, the instructions will be surrounding our topic of the Tudors! And finally they will be starting their journey on being able to write a 5 part story ( beginning )

## KS2 class 4 Curriculum Map Autumn Term 2024

### As mathematicians...

Year 5 – In the autumn term our focus will be on:  
Place value – numbers up to 1,000,000  
Addition and subtraction with numbers more than 4 digits  
Multiplication and division – multiplying and dividing by 10,100,1000  
Fractions – adding and subtracting fractions with whole numbers and fractions less than 1. Improper and proper fractions.

### As PE experts...

In Physical education year 5 this term we will be focusing on hockey and Tag Rugby. We will be learning how to play both games, how to improve and most importantly how to enjoy it

### As historians...

Year 5 will be focusing on 'Stone Age to Iron Age'. Year 5 will be finding out about the impact of the technological changes during these periods, thinking carefully about the impact each new development had on society. They will be focusing on the continuity and the change/significance.

### Jigsaw

In Jigsaw the focus is "Being me in my world" This Includes lessons on Self-Identity, Group Identity, Responsibilities, Consequences, Teamwork and introduces the Jigsaw Charter.  
French  
Year 5 will be continuing their language journey on from year 4 and expanding their writing, speaking and reading skills

### As scientists...

In Science this term our focus is the change of materials. In this unit we will cover the use of evaporation to recover solutes. We will explain reversible and irreversible changes, chemical reactions, burning reactions and reactions that include different acids mixed with bicarbonate of soda.

### As geographers...

This term Year 5 will be focusing on developing their field and mapwork skills. The children will be focusing on the cause of Earthquakes. They will be researching the cause and effects, the timelines and what happened. They will be comparing two earthquakes at different points on Earth and comparing the two

### Trips and Other activities

We will be visiting Stepney Primary school later on this year to explore the differences in our communities.

### As designers...

Our design and technology unit in Key Stage 2 this term will be mechanisms and structures. The Children will be creating a CAM system in relation to their history topic the Tudors. The CAM system will be a montage of the Tudor punishment scene.

### As ICT experts...

In year 5 we will be focusing on the following categories.

Online Safety  
Concept Maps  
Word Processing

### As readers...

Year 5 will be reading the book "Hugo Cabret" by the author Brian Selznick. The children will be continuing to develop their inference, retrieval and prediction skills. They will also be making predictions about the characters and plot.

### As artists...

Year 5 will be taking inspiration from a number of artists. Year 5 will be taking on sculptures of figures ( Tudor Rose ) linking to our history topic of Tudors
